Fire Procedures

In the event of a fire within the Chillington Works site, please note the following must be adhered to.

1. Sound the Fire Alarm (Situated by stairs to MRF).
2. Transfer Station Manager or Site Supervisor to decide course of action.
3. Only Small fires may be put out with Fire Hose, Fire sprinklers or Fire extinguisher.
4. Major Fire – Fire Service must be called – calling 999.
5. All other staff and customers to evacuate the site (Reporting to Fire assembly Point). Do not collect valuables or personal belongings.
6. Only return back into the site, if and when the all clear is given by Transfer Station Manager or Site Supervisor and the fire alarm is deactivated.
7. Report any Fire, as per the license.

This document is for staff safety and if you have any questions, do not hesitate to ask the Management immediately.

This Document will be under constant review, and reissued every year to all staff, drivers and operatives.
